

**General Education
Approved Minutes
February 28,2007**

Present: Brandon Cooke, Gretta Handke, Jim Rife, Kellian Clink, Ron Nickerson, Chair

1. We approved the minutes of 2/14, 12/12, 2/7 (with minor alterations), 1/31, and 1/24.
2. We discussed upcoming meetings with faculty in charge of GECCIG's 1a & 1b. On the 29th of March we will have a gathering of faculty interesting in communication in the CSU. Representatives from GECCIGs 1a, 1b, and 1c will be present, along with Dr. Olson and Dr. Flannery and members of the General Education Committee.
3. We approved course proposals IT 202 and SS 202, which had been tabled while we gathered more information about their writing requirements.
4. We discussed the WOST 220 proposal. There were concerns about making a 3 credit class a 4 credit class without additional contact hours. There were also concerns about the course fulfilling # 7 of the General Education Program Policies, which states that "Most general Education classes will be three credits, although a course may be more or less than three credits. A justification is required for any course that is more than 3 credits.
5. We discussed whether distance education courses and international travel courses are being evaluated for elements such as contact hours.

Respectfully submitted,

Kellian D. Clink
