

General Education Minutes
April 25, 2007

Present: Ron Nickerson, Jim Rife, Gretta Handke, Kellian Clink

Guests: Elaine Lilly, Dave Gjerde, and Brenda Flannery

1. We celebrated Ron Nickerson's dedication to the committee with a cake and a plaque for him to remember the current committee by. Brenda noted that the Student Relations Coordinators had praised Ron and the committee for all their hard work this year. Gretta and Kellian and Brandon will be leaving this semester and the old committee wishes the new committee all the best.

2. We consented to the credit change in the WOST classes.

3. Elaine Lilly gave a presentation of some ideas for a course/program proposal that would be on the web and thus more accessible and transparent as the decision making processes unfolds.

This is where I left for a student appointment.
