

**General Education Committee**  
**Approved Minutes**  
**December 12, 2006**

Present: Ron Nickerson, Gretta Handke, Jim Rife, Brandon Cooke

1. We discussed Course Proposal 150 (EET 141) which would place EET 141 in Category 13. Jim Rife moved we recommended approval of the proposal. There was no second to the motion so the motion died.
2. We discussed Course Proposals 306 and 307 for inclusion of IT 202W and ISYS 202W (Computers in Society) in categories 1C, 9 and 13. These two proposals replace proposals 178 and 185, respectively) Although the same course, they will be cross-listed for the respective curricula. Members expressed concerns with the appropriateness of these two courses for category 9 because of their strong occupational emphasis. The proposals were tabled pending clarification of how the courses meet the writing intensive requirement.
3. We discussed the pre-1998 equivalency project. We essentially have SET, Social and Behavioral Sciences and the Professional Colleges (Bus and CAHN) complete.

Respectfully submitted,

Ron Nickerson
