

**General Education and Diversity Committee**  
**Approved Minutes**  
**March 3, 2008**

Present: Christopher Corley, Steven Gilbert, Julie Kerr-Berry, Ronald Nickerson and James Rife

Course proposals 303 (Biol 105) and 304 (Biol 103) were approved. Both courses had been approved as writing intensive courses before the W designator had been introduced. The proposals simply added the W designator to the course number.

There was a discussion of how the General Education Requirements compare to the Minnesota Transfer Curriculum. This in preparation for participation in the Chairs' Breakfast at 7:30 on March 12, 2008 in CSU253, 254, 255. The breakfast will focus on the conversion to a 120 credit cap.

Letters about assessment for Category 6 have gone out. There will be a meeting on March 21 for those involved in this category.
