

General Education and Diversity Committee
Approved Minutes
November 19, 2007

Present: Peggy Ballard , Christopher Corley, Steven Gilbert, Julie Kerr-Berry, Ron Nickerson and Jim Rife

It was announced that there will be a Faculty Association Retreat in January. General Education is invited to attend.

There was a discussion of MSU's compliance to the Minnesota Transfer Curriculum. Ron described special concerns about our writing intensive requirements.

In response to MnSCU's concerns, Ron is drafting a description of our process of accepting Gen Ed courses and a response to MnSCU's list of our courses which they deem as inappropriate for the Transfer Curriculum.

Jim Rife
