Include a course or program description for the Bulletin (30-40 words maximum for courses, 100 for programs):

Under "Declaring an FCS Major": - a minimum cumulative GPA of 2.5

Rationale or Justification for change:

Raising the entrance requirement from a GPA of 2.0 to 2.5 will result in a more capable student population. It will also align with requirements for admission to professional education and it is consistent with the entrance requirements for other departments within the College of Allied Health and Nursing.

*****For Program Proposals*****

Attach paper copies of the following:

- a. Student learning outcomes for the program.
- b. Minutes from department and college curriculum meetings in which action was taken on this proposal.
- c. Program Assessment Plan. Forms are available on the Academic Affairs Web site:
http://www.mnsu.edu/acadaf/words/PRA_SampSLOAssessPlan.doc
- d. List of program requirements for **New** programs, or a list of **Current** and **Proposed** program requirements for **Redesigned** programs.
- e. A list of resources required to offer and support this program.
- f. A description of how offering this program will affect department staffing.
- g. A list of additional library holdings required for this program.

Please include rationale for any proposed changes in number of program credits:

*****For Programs Requiring MnSCU Approval*****

If any of the following changes are proposed, please fill out and attach MnSCU Program Approval Forms, which are available on the Academic Affairs Web site:

<http://www.mnsu.edu/acadaf/html/currformsprocesses.htm>

1. **Creation** of an entirely new program.
2. **Redesign** of existing programs, which takes any of the following forms:
 - ⌚ Addition or deletion of a program option. Options are part of program design in which 30-50% of the courses are required as part of a common core for all students, and which offers curriculum alternatives greater than 30% of the total number of credits in the major. Options are appropriate to baccalaureate or masters programs.
 - ⌚ Addition or deletion of a program emphasis. Emphases are part of program design in which more than 50% of the courses are required as part of a common core for all students, and which offers curriculum alternatives with a minimum of nine credits. Emphases are appropriate to associate and baccalaureate programs.
 - ⌚ Change in program name.
 - ⌚ Change in program CIP #.
 - ⌚ Change in TOTAL program credits.
 - ⌚ Change in degree award. For example, changing a B.A. to B.S.
 - ⌚ Creation of a new degree award in a related academic area. Examples include creation of a certificate program from an existing degree program, or a new degree program from an existing degree program (e.g., Art History BA from Art BA.)
3. **Relocation** of an existing program. This is a proposal to move an existing program from one site to be exclusively offered at another site, and requires closing the program offered at the original site. For example, a program offered both on-campus and through extended campus is to be offered only at the extended campus site.
4. **Replication** of an existing program. This is a proposal to offer an existing program at a new site, which may be an existing MnSCU-approved site, or another campus of the same institution. Replicated programs are offered at both the original site and the new location.
5. **Suspension** or **reinstatement** of a program. This proposal suspends admission of students into an existing program, and is good for three years. Reinstatement proposals request the reopening of student admissions into a given program.
6. **Closure** of a program. This proposal requests closure of an existing program and its removal from an institution's official inventory of academic programs. Unless a department seeks to re-open a suspended program, it should be closed within three years of suspension.

Faculty Meeting Minutes
February 9, 2006

Present: Bissonnette, Bond, Brigman, Young, Conlon, Fredstrom

Guest: Erin Jaskulke, CAHN Student Advisory Board member for FCS

- Ms. Jaskulke expressed a need to know more about what the other options in FCS are doing so she can better represent the whole FCS Department. She will make appointments with Dr. Young and Jill Conlon to discuss their areas.
- Faculty agreed to work on their individual areas for reports for 1) Program Review recommendations, 2) Goals and Actions statements, and the 3) FCS Department Assessment Plan. Another faculty meeting will be scheduled to put the information together.
- Dr. Fredstrom moved that the minimum GPA for admission to FCS be raised from 2.0 to 2.5. Jill Conlon seconded the motion. The motion was carried by FCS faculty. The change will be incorporated into MSU's web and print materials as soon as possible.
- There was a discussion on where to file the signed Substitution Forms. Currently, forms signed by the Registrar are filed in the FCS Office file. It was agreed that DeLorna would make a copy the returned Substitution Forms for Dietetic, FN, and FCS Ed. students which would be given to their respective advisors. FLCD Substitution Forms will stay in the file in the FCS Office.
- Names and ISBN numbers of summer and fall semester books are due to DeLorna.
- Dr. Brigman asked that any news for the Departmental Student Newsletter be forwarded to him.
- All club advisors were reminded that they are responsible for making sure their club is registered with the University.
- Faculty discussed possibilities for spending summer monies.
- Dr. Young reminded faculty of the Developing Countries Dinner on March 6, 2006 from 6-8 pm in the CSU Ballroom. There's a sign-up sheet in the Dean's Office (MF-124) for anyone who wants to attend.
- There will be a brief faculty meeting on February 16, 1-1:45 pm.
