For Programs Requiring MnSCU Approval

If any of the following changes are proposed, please fill out and attach MnSCU Program Approval Forms, which are available on the Academic Affairs Web site:

<http://www.mnsu.edu/acadaf/Curriculum/currformsprocess.html>

1. **Creation** of an entirely new program.
2. **Redesign** of existing programs, which takes any of the following forms:
 - ? Addition or deletion of a program option. Options are part of program design in which 30-50% of the courses are required as part of a common core for all students, and which offers curriculum alternatives greater than 30% of the total number of credits in the major. Options are appropriate to baccalaureate or masters programs.
 - ? Addition or deletion of a program emphasis. Emphases are part of program design in which more than 50% of the courses are required as part of a common core for all students, and which offers curriculum alternatives with a minimum of nine credits. Emphases are appropriate to associate and baccalaureate programs.
 - ? Change in program name.
 - ? Change in program CIP #.
 - ? Change in TOTAL program credits.
 - ? Change in degree award. For example, changing a B.A. to B.S.
 - ? Creation of a new degree award in a related academic area. Examples include creation of a certificate program from an existing degree program, or a new degree program from an existing degree program (e.g., Art History BA from Art BA.)
3. **Relocation** of an existing program. This is a proposal to move an existing program from one site to be exclusively offered at another site, and requires closing the program offered at the original site. For example, a program offered both on-campus and through extended campus is to be offered only at the extended campus site.
4. **Replication** of an existing program. This is a proposal to offer an existing program at a new site, which may be an existing MnSCU-approved site, or another campus of the same institution. Replicated programs are offered at both the original site and the new location.
5. **Suspension** or **reinstatement** of a program. This proposal suspends admission of students into an existing program, and is good for three years. Reinstatement proposals request the reopening of student admissions into a given program.
6. **Closure** of a program. This proposal requests closure of an existing program and its removal from an institution's official inventory of academic programs. Unless a department seeks to re-open a suspended program, it should be closed within three years of suspension.

1. Tom Inglot discussed recent events, including the upcoming visit by the former Mexican Foreign Minister, Jorge Castaneda and the new, revised IR Planning Sheet. Tom Inglot will work on the current Advising Sheet – to be completed by April 15.
2. Jackie Viececi discussed the new “cultural awareness proposal.” The IR Faculty agreed to replace the current Anthropology 230 required core class with a more flexible list of courses. Dr. Viececi agreed to present a more comprehensive proposal in the first meeting of the fall semester 2007/08.

The IR faculty agreed to establish a minor and begin the curriculum process in the fall semester. Tom Inglot and Abdalla Battah suggested making changes in the courses and number of credits. Jackie Viececi agreed with about the need to make the number of credits compatible with the Political Science minor – 18 instead of 21 credits (please see below). The faculty also agreed to eliminate the Anthropology 230 course from the draft proposal.
