ISYS/IT Faculty Meeting 10-3-07

In attendance: Tietz, Syed, Slack, Cornell, Asher, G., Wells & Veltsos, C.

Meeting called to order @ 11:05am in WH 284

Motion to approve the minutes from the last meeting was made by Lee Cornell, seconded by Gregg Asher, no discussion, motion approved.

Dr. Tietz presented 6 curriculum changes that were missed when the initial ISYS/IT department curriculum changes were sent through for the 2007/2008 academic year. Listed below are the proposals to be voted on.

Add IT 495 Seminar in Information Technology(1 credit). The description was incorrectly filled out last year & currently is the same as IT 496.

Correct the pre requisite courses for ISYS/IT 482. Pre-reqs should show as iSYS 380, IT 380, or CS 110.

Change the course title of ISYS 101 from Introduction to Personal Productivity to Introduction to Information Systems.

Change the ISYS 497/597 Internship credits from 3 to variable 1-12 credits.

GPA policy clarification for both Information Systems & Technology programs.

Motion was made by Gregg Asher to move all proposals forward to the CSET curriculum committee. Motion seconded by M. Syed. No discussion. Motion carried.

M. Syed spoke with the Director of Curriculum Development regarding number of credits required for a four year degree. Required 128 credits will drop to 120 credits by Fall/2009. Dr. Syed also spoke with the director regarding the possibility of a Master's program in iSYS &/or IT programs. Because both degree programs are cross listed, both could offer Master's degrees. Also spoke with the director regarding offering a minor in iSYS or IT.

L. Cornell moved to adjourn@ 11:20pm, G. Asher seconded the motion. Meeting adjourned.

Dr. Slack,

The new name seems more appropriate. The Management department supports your proposal.

Subject: Proposed course name change

Dear Dr. Smayling,

The Department of Information Systems & Technology would like to change the name of ISYS 101 from

Introduction to Personal Productivity

to

Introduction to Information Systems

We feel that the new name better fits the course content. ISYS 101 is a prerequisite to *MGMT 200: Introduction to MIS*. Do you have any objections to this name change?

Thank you very much.
