

MINNESOTA STATE UNIVERSITY, MANKATO

Equivalent Courses from ST. PAUL COLLEGE

Note 1: This equivalency guide equates the MnTC courses offered by St. Paul College to the MnTC courses offered by Minnesota State University, Mankato (MSU) for the 2011-2012 MSU Bulletin. This evaluation applies to general education/MnTC courses taken at St. Paul Technical College for the 2011-2012 Catalog.

Note 2: This equivalency table is a general guide to transfer of coursework to MSU. It is recommended that students refer to a copy of the current MSU bulletin for specific program requirements in the major of their choice. Our catalog is available online at <http://www.mnsu.edu/dept/ugbull>

Note 3: Normally technical college transfer students will not be transferring with an AA or a completed MnTC, but if they do, they will have satisfied the MSU MnTC requirements. Any transferred AA degree must have 40 semester credits of general education or a completed MnTC.

Note 4: Students transferring with an AS or an AAS and with less than a completed MnTC will have to complete additional general education requirements. MnTC distribution requirements of 40 semester credits must be met by AS and AAS transfers. College level MnTC courses already completed as part of the AS or AAS will be applied to the MSU MnTC requirement.

Note 5: Students transferring without a degree or a completed MnTC will have their current completed MnTC applied to the MSU MnTC, but will have to complete the remainder of the MSU MnTC requirements.

Any questions pertaining to this guide or to other transfer issues may be directed to your community college transfer specialist or academic advisor. Questions may also be directed to the MSU Admissions Office. Phone: 507-389-1822 or toll-free: 800-722-0544 or by email to transfer@mnsu.edu

NOTE: Courses in MNTC (Minnesota Transfer Curriculum) Goal areas may be different from school to school. According to MNTC policy courses from any MNSCU school will transfer to any other MNSCU school into the same Goal area as taken.
