Welcome to Minnesota State University, Mankato! This map is designed to help you navigate around our campus, view our facilities, and see what we have to offer. Following the building sequence below will give you a chance to see some of the highlights of campus. Please feel free to wander around and check out any additional areas that may be of interest to you. For your convenience, we have also included information about a variety of our buildings and facilities. Thank you for visiting Minnesota State University, Mankato!

1. Taylor Center [TC]: Includes 4,800 seat Bresnan Arena, Office of Admissions, 9 locker rooms, a weight room, wrestling room, and coaches’ offices. Glen Taylor, owner of the Minnesota Timberwolves and Minnesota State Mankato graduate, donated 11 million dollars to aid in the construction. It is the home of Maverick basketball, wrestling and volleyball.
2. Myers Field House [MF]: This premier 60,000 square foot facility has an 8-lane, 200-meter track along with 4 basketball courts which can be used for volleyball, badminton, and tennis. Myers Field House has a capacity of 1,000 and has hosted the NCAA Division II National Wrestling Championships and the NCAA Division II Indoor Track & Field Championships. Campus Recreation also houses here and features a new state-of-the-art Indoor Climbing Center and Outdoor Rock Wall.
3. Highland North [HN]: Includes a dance studio, locker rooms, four racquetball courts, and Schellberg Gymnasium - a practice gym for varsity athletics, phy-ed classes, and intramural activities. Grab a snack at Einstein Bros Bagels!
4. Pennington Hall [PH]: Includes two dance studios, four racquetball courts, and classrooms.
5. Highland Center [HC]: Pool & Campus Recreation: Highland Center houses an additional 37,000 square foot facility with athletics locker rooms, classrooms, coach’s offices, student lounge space, and athletic training facilities.
6. Otto Recreation Center [OR]: Includes updated locker rooms, athletic courts, jogging track, free and machine weights, aquatics, and over 40 pieces of fitness equipment. Each piece of fitness equipment is outfitted with a state-of-the-art TechRec console, complete with TV, internet access, streaming music, and interactive workout information.
7. Morris Hall [MH]: Houses the College of Business, the departments of Urban and Regional Studies and Law Enforcement, Political Science, the Dental Hygiene Clinic, the Undergraduate Research Center and the Honors Program. On 2nd floor, classrooms are outfitted with current instructional technologies. All classes within the College of Business integrate laptop computers into the curriculum.
8. Wigley Administration [WA]: 1st Floor - Student Financial Services, Office of the Registrar, and Cashier’s Office. 2nd Floor - Office of Business Affairs: Handles tuition billing, disbursement of financial aid, student payroll, and direct deposit of payroll checks. Career Development Center provides services for all students and graduates including career advising, interview skills workshops, and exclusive job postings for students.
9. Centennial Student Union [SU]: 1st Floor – Maverick food court: Taco Bell, Chick-fil-A, salad/soup bar, coffee bar, hot entrees, and cold sandwiches are available. Wells Fargo Bank, the Campus Hub, Student Activities, LGBT Center, and Veterans Resource Center are also located here. Barnes and Noble Bookstore: Buy and sell books – get your Minnesota State Mankato clothing, art supplies, cards, and gifts. Basemeat – Erbarts & Gerber’s, Aison Golf, Campus Computer Store, Student Art Gallery, Affinity Plus Credit Union, Maverick Gameroom (bowling alley, pool tables, video games, etc.) 2nd Floor – Houses the Office of Multicultural Affairs, The Reporter Student Newspaper, Senator Student Office, a Women’s Center and International Programs.
10. Memorial Library [ML]: 3 floors with over 1 million volumes and an on-line card catalog and database. Hours are usually from 7:30 a.m. to midnight with reference librarians available for assistance. The basement houses Accessibility Resources and the Center for Academic Success (free tutoring).
11. Crawford Residence Community [CR]: 4 story residence hall building housing 760 students and home to the Maverick Mentor Program which blends social and academic programs for first-year students.
12. Margaret R. Preska Residence Community [PS]: Our newest residence community provides housing for nearly 500 students in semi-suite and renovated style housing. The Office of New Student and Family Programs is on the main floor.
13. University Dining Center: Our newest building on campus, constructed in 2017. University Dining Center is our all you can eat residential dining facility. Normal hours of operation are 7:00 a.m. - 9:00 p.m.
15. Julia A. Sears Residence Hall Community [JS]: 600 bed, semi-suite style residence hall.
16. Wiegandt Center [WC]: Originally named Wilson Campus School, Wiegandt Center was built in 1958 as the first instructional facility on the Highland campus. Wiegandt Center currently houses the Departments of Family Consumer Science and Construction Management, Security, ROTC, and TRIO Programs.
17. Armstrong Hall [AH]: Constructed in 1964, this is one of the original buildings on the Highland Campus. It is full of classrooms used by the Colleges of Education, Social and Behavioral Sciences, and Arts and Humanities.
18. Nelson Hall [NH]: Houses the Departments of Art and Mass Media. There are also Automotive and Manufacturing Engineering Technology labs, as well as photography dark rooms and various art studios.
19. Earley Center for Performing Arts [PA]: Houses the Music, Theater, and Dance departments complete with practice rooms, costume/scene shops, and a music library. The Department of Theatre and Dance performs 15 productions a year with ticket sales that rank in the top 1% in the entire country. The Department of Music has many instrumental and vocal groups which students can be involved with. Students do not need to be music or theatre majors to be involved in musical groups or stage productions.
20. Wissink Hall [WH]: 1st Floor – Academic Computer Center with 500 computers and Tele Presence Video Conferencing. There is a combination of Macintosh and PCs as well as a software library, laser printers, multi-media lab, and digital editing equipment. 2nd and 3rd Floors – House the Departments of Mathematics, Statistics, Computer Information Science and Nursing. Nursing students gain hands-on experience in labs that are set up like hospital rooms.
21. Trafton Science Center [TR]: Houses the College of Science, Engineering and Technology. This is the largest academic building on campus and is divided into four wings – North, Center, South, and East.
22. Leonard A. Ford Hall [FH]: Home of the Department of Chemistry and Geology. It is a state-of-the-art green building using natural light for the laboratories and an energy conservation system for heating and cooling.
23. Clinical Sciences Building [CS]: Constructed in 2016, our new $25.8 million clinical sciences building houses a 24-chair dental clinic and 14 examination/consultation rooms coupled with labs, classrooms or observation areas, office space and several student interaction and study spaces. Primarily occupying it are students from the School of Nursing and the departments of Dental Hygiene and Speech and Hearing & Rehabilitation Services. Students have access to state-of-the-art training facilities and are able to work collaboratively with faculty and students from all over campus.
