7. Maximum allowable credit for prior learning will be recognized as a reasonable proportion of the credits required to complete the associate of arts degree program. Refer to University Policy – “Credit for Prior Learning”

Undergraduate Certificate
An undergraduate certificate is awarded upon completion of a 9 to 30 credit academic program. Developmental level course credits do not apply toward to the completion of an undergraduate certificate. To be eligible for an undergraduate certificate award from Minnesota State University, Mankato, a student must earn at least one-third of the award credits from Minnesota State Mankato.

Graduation with Honors
To qualify for graduation with honors (Cum Laude, Magna Cum Laude or Summa Cum Laude), a student:

1. Must meet all requirements for a baccalaureate or associate of arts degree.

2. Must have the appropriate minimum cumulative (including transfer credits) grade point average (GPA) to satisfy honor requirements.
   a. Cum Laude: minimum cumulative GPA of 3.40
   b. Magna Cum Laude: minimum cumulative GPA of 3.60
   c. Summa Cum Laude: minimum cumulative GPA of 3.80

The official university transcript will carry the appropriate honors designation based on all work completed at the University.

For the purposes of University Commencement, recognition of graduation with honors for the commencement ceremony is based upon all work completed by March 15 of the academic year for the May commencement ceremony and by November 1 for the December commencement ceremony.

Returning Student and Graduation with Honors Designations
Returning students adding a new major or minor to a previously earned degree, or pursuing a different degree will be eligible for receiving additional honor designations.

Applying for Graduation
Students are highly encouraged to make formal application for graduation one year in advance of the semester they intend to graduate with the Registrar’s Office. The Undergraduate Application for Graduation is available at the Registrar’s Office, Campus Hub, and Registrar’s Office web site. Applying to participate in a university commencement ceremony is a separate application that must be completed with the Office of Graduation Services within University Advancement.

Catalog Time Limit
Graduating under the requirements of an undergraduate catalog extends no longer than six academic years from the term of the student’s original enrollment.

Although no student can graduate under requirements outlined in a catalog of more than six years preceding the date of graduation, the student may elect to graduate under a more recent catalog. However, students must complete all degree requirements under a single catalog.

Note: While specific requirements for a degree may expire or change, students never “lose” the college credits they have earned. A student may have to take additional course work, or fulfill different requirements to obtain a degree under a new catalog.
Conferral of Degree Date
A student will be awarded the graduation date for the term in which degree requirements, including submission of supporting documents, have been met. Although course work may have been completed in a prior term, the degree will be awarded for the term in which all academic and administrative requirements have been fulfilled.
