INDEPENDENT AUDITORS' REPORT

Board of Directors
Mankato State University Foundation, Inc.
Mankato, Minnesota

We have audited the accompanying Statement of Financial Position of Mankato State University Foundation, Inc., as of June 30, 1997, and the related Statement of Activities and Cash Flows for the year then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Mankato State University Foundation, Inc., as of June 30, 1997, and the revenues and expenses, changes in fund balances, and cash flows for the year then ended, in conformity with generally accepted accounting principles.

As discussed in Note 2 to the financial statements, the Foundation changed its method of accounting for contributions and its method of financial reporting and financial statement presentation.

Mankato, Minnesota
September 30, 1997
MANKATO STATE UNIVERSITY FOUNDATION, INC.  
Mankato, Minnesota  

STATEMENT OF FINANCIAL POSITION  
June 30, 1997  
(With Comparative Amounts for June 30, 1996)

SUPPLEMENTAL DISCLOSURE OF CASH FLOW INFORMATION
Cash paid for interest was $70,163 and $74,148 in the years ended June 30, 1997 and 1996, respectively.

SUPPLEMENTAL SCHEDULE OF NONCASH ACTIVITIES
At June 30, 1997, land increased $414,729 by an increase in assessments payable.

See Notes to Financial Statements
1. Organization -

The purpose of Mankato State University Foundation, Inc., a nonprofit organization, is to receive monies and other property through fund raising and gift acceptance and to hold, invest and expend these amounts for the benefit of Mankato State University.

The Foundation is a nonprofit organization exempt from federal income taxes under Internal Revenue Code Section 501(c)(3), and qualifies as a tax exempt organization under applicable statutes of the State of Minnesota.

2. Summary of Significant Accounting Policies -

For the year ended June 30, 1997, the Foundation adopted Statement of Financial Accounting Standards (SFAS) No. 116, Accounting for Contributions Received and Contributions Made. In accordance with SFAS No. 116 contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. As permitted by SFAS No. 116, the Foundation has retroactively applied the provisions of the Statement by restating net assets as of June 30, 1996. The adjustment of $1,365,900 made to net assets as of June 30, 1996, represents previously unrecorded unconditional promises to give.

For the year ended June 30, 1997, the Foundation also adopted Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-for-Profit Organizations. Under SFAS No. 117, the Foundation is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, the Foundation is required to present a Statement of Cash Flows. As permitted by SFAS No. 117, the Foundation has discontinued its use of fund accounting and has, accordingly, reclassified its financial statements to present the three classes of net assets required. The reclassification had no effect on the change in net assets for the year ended June 30, 1997. The three classes of net assets and revenues, gains and losses are classified based on the absence or existence and nature of donor-imposed restrictions as follows:

- Unrestricted net assets - Net assets that are not subject to donor-imposed stipulations.
- Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Foundation and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.
- Permanently restricted net assets - Net assets subject to donor-imposed stipulations that they be maintained permanently by the Foundation. Generally, the donors of these assets permit the Foundation to use all or part of the income earned on any related investments for general or specific purposes.

For purposes of the Statements of Cash Flows, the Foundation considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Financial instruments that potentially subject the Foundation to concentrations of credit risk consist principally of temporary cash investments and receivables arising from promises to give. The Foundation places its temporary cash investments with financial institutions and limits the amount of exposure to any one financial institution. Concentrations of credit risk with respect to receivables arising from promises to give are limited due to the large number of contributors comprising the Foundation’s contributor base and their dispersion across geographic areas. As of June 30, 1997, the Foundation had no significant concentrations of credit risk.
The Foundation carries investments in marketable securities with readily determinable fair values and all investments in debt securities at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets in the accompanying statement of activities. The Foundation carries its real estate investments acquired by purchase at cost and interests donated at the fair market value as of the date received by the Foundation. Investments of various accounts are pooled and the income and realized and unrealized gains and losses from those investments are allocated to the individual accounts based on the relationship of the market value of each account to the total market value of all the accounts, as adjusted for additions to or deductions from those accounts.

Investment income and gains restricted by donors are reported as increases in unrestricted net assets if the restrictions are met (either a stipulated time period ends or a purpose restriction is accomplished) in the reporting period in which the income and gains are recognized.

Unconditional promises to give are recognized as revenues or gains in the period received and as assets or decreases of liabilities, depending on the form of the benefits received. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional. Contributions to be received after one year are discounted at a 5% rate which is considered commensurate with the risks involved. Amortization of discounts is recorded as additional contribution revenue in accordance with donor-imposed restrictions, if any, on the contributions. An allowance for uncollectible contributions is provided based on management’s judgment, including such factors as prior collection history, type of contribution, and nature of fund-raising activity.

The Warren Street building is stated at cost less accumulated depreciation. Depreciation is computed on the straight-line method over its estimated useful life of 40 years. Building components are depreciated on the straight-line method over their useful lives of 20 years.

The preparation of financial statements in conformity with generally accepted accounting principles includes the use of estimates that affect the financial statements. Accordingly, actual results could differ from those estimates.

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Foundation’s financial statements for the year ended June 30, 1996, from which the summarized information was derived.

2. Cash -

</tr>
</tbody>
</table>

Custodial and investment fees paid were $50,719 for the year ended June 30, 1997.

4. Investment in real estate -

Land, located in City of Mankato, near Mankato State University
- Parcel 1, 7 lots: $409,985
- Parcel 2: 148,255
- Lot near Breezy Point, Minnesota: 7,200
- Real Estate Limited Partnership interests: 69,408

Total: $634,448

Parcel 1 consisted of 56 acres held as an investment to further the interests of Mankato State University. The Foundation has engaged an engineering firm to assist in the development of this property. The property has been subdivided into 8 lots approximating 18 acres. The remaining property is designated as wetland and ownership has been transferred to the City of Mankato. Currently, the City is constructing storm and sanitary sewer services and extending Stadium Road, a street which runs alongside the property. Such development will result in additional city assessments of $414,729 which have been added to the cost of this property.

During 1997, one of the eight lots was sold for $300,000 resulting in a gain of $159,252. The remaining property is carried at fair value determined at the date of gift plus added cost of subsequent assessments. Unpaid assessments of $447,411 are due over 10 years or upon sale of the lots.

Parcel 2 consists of approximately 33 acres and is held as an investment to further the interests of Mankato State University. The investment is carried at cost.

The Breezy Point lot was received as a contribution and is being carried at estimated realizable value. No gross income is received from this property.

5. Notes and other receivables -

- Interest and dividends receivable: $30,728
- Notes receivable, students: 18,724
- Insurance paid in advance: 3,099

Less provision for uncollectible notes: 2,275

Total: $50,276
6. Mortgage payable -

The mortgage on the Warren Street building is payable in monthly installments of $10,080, including interest at 6.75% per annum through June 30, 1999.

Principal payments due over the next two years on the mortgage loan are as follows:

<table>
<thead>
<tr>
<th>Year</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>1998</td>
<td>$54,434</td>
</tr>
<tr>
<td>1999</td>
<td>945,907</td>
</tr>
</tbody>
</table>

At June 30, 1999, it is assumed that the unpaid mortgage balance will be refinanced subject to Mankato State University, the lessee, exercising either its second five-year lease option extension or its purchase option as defined in Note 7.

7. Warren Street building -

The Foundation has an agreement with Mankato State University for the lease of the Warren Street building for an initial term of five years with an option for three additional successive five year terms. The lease provides for monthly payments of $10,080 plus reimbursement for operating expenses and gives the lessee the option to purchase the property for an amount equal to the unpaid mortgage principal at the date the purchase option is exercised. Lease income earned during the current year was $122,795.

Lease income          $122,795
Depreciation expense  (34,071)
