Lockers are the property of the University. At no time does MSU relinquish its exclusive control of lockers provided for the convenience of students. Inspection of the interior of lockers may be conducted by MSU authorities for any reason at any time, without notice, without student consent, and without a search warrant. The personal possessions of students within a locker may be searched only when MSU authorities have a reasonable suspicion that the search will uncover evidence of a violation of law or MSU rules. As soon as practicable after the search of a student's personal possessions, MSU authorities must provide notice of the search to students whose lockers were searched unless disclosure would impede an ongoing investigation by police or MSU officials.

I agree to adhere and abide by the following terms and conditions relative to the use of University locker space:

- I understand that the storage of illegal and hazardous materials is prohibited. I agree that any fees associated with disposal and clean up of waste (i.e., paint, glues, solutions, etc.) in the locker are my responsibility.
- I understand that a locker is University property and may be inspected by the University as stated above.
- I agree that I am the only one who is authorized to use the locker and I am responsible for its content.
- I will provide my own lock to secure the locker and realize that no unsecured locker is allowed.
- I will adhere to the begin and end date which lists the time the locker is assigned. If my items are not removed by the end date, I authorize MSU to cut the lock and dispose of materials found in the locker consistent with MSU impound and disposal procedures. An attempt by MSU will be made to notify me of the property impounded.
- I agree to pay for any damage to the locker, clean up, and/or assessments or sanctions applied to me for violation of the terms of this registration agreement.
- I understand that the University is not responsible for items stored in the locker and that MSU only provides locker space for the convenience of its employees and students.
