1. Schools:

- a. Any accredited (or pursuing accreditation) two or four-year college/university shall be eligible to send participants to the AFA-NIET.
- b. To gain eligibility, participating institutions must be in good financial standing with the financial requirements established by the AFA-NIET Committee and the Board of Trustees.

2. Students:

- a. PARTICIPANTS IN THE AFA-NIET MUST BE FULL- OR PART-TIME UNDERGRADUATE STUDENTS ENROLLED FOR A MINIMUM OF SIX HOURS. The minimum of six hours of required academic work must be taken at the institution the student is representing at the NIET. A student must be pursuing a program of study or an associate or baccalaureate degree at the institution they are representing at the NIET.
 1. A part-time student at an institution may not represent that institution at the NIET if they are also pursuing an associate or baccalaureate degree at another institution.
 2. A student who has completed the requirement for an associate degree at an institution is no longer eligible to compete for that institution. A person is considered as possessing an associate degree upon his/her completion of requirements toward that degree and having been approved for graduation by his/her respective school.
 3. An appeal for a waiver of these provisions may be made using the same procedures as outlined in the by-laws for students who have received bachelor degrees.
 - b. Students possessing a bachelor's degree WHO HAVE NO FORENSIC EXPERIENCE may request a one-year waiver of the undergraduate rule. Requests should be made to the NIET Chair.
 1. An undergraduate is defined by the AFA-NIET Committee as an individual who has not received a Bachelor's Degree. (A student is considered as possessing a baccalaureate upon completion of requirements toward that degree and having been approved for graduation by her/his respective school).
 2. No person shall be allowed to participate in more than four years of national individual events tournaments (including PRP, PKD, DSR-TKA, AND NFA) as a contestant.
 - c. No student who has competed in eight or more six-month periods (July 1-December 25, or December 26-June 30) in three or more tournaments per period of time will be eligible to compete in the AFA-NIET.
 - d. If a participant qualifies for the AFA-NIET while eligible under the above requirements and then graduates during the academic year, he/she will be permitted to compete in the NIET for that year. (Mid-year graduates may not compete at District Qualifiers.)
 - e. A student may not pursue at-large qualification after the final day of the term in which he/she has met the requirements for graduation and has been approved for graduation by the student's respective school.
 - f. An undergraduate who judges in the open division of a forensics tournament (a division which qualifies for AFA-NIET at-large legs), permanently forfeits his/her eligibility to compete at the AFA-NIET District or National Tournaments.
-

NATIONAL TOURNAMENT INFORMATION:

1. Number of Rounds:

There shall be three preliminary rounds followed by quarter-finals, semifinals and a final round in each of the events. In preliminary rounds, a mechanical pairing system will be used so that as far as possible, contestants from the same school will not meet each other. The elimination rounds will be paired on a schematic system.

2. Judges:

Two judges shall be used per section in the preliminary rounds; multi-panel judges will be employed in the elimination rounds. In determining elimination round contestants, the lowest rank and rating (not necessarily on the same ballot) will be dropped from the cumulative total of prelim scores.

3. Ballot and Ranking:

The ballots will use a ranking of 1 to 5 with 1 being the top performance in the preliminary rounds. In the elimination rounds, the ballots will use a ranking of 1 through 6. The ballots shall use a rating graduated from 1 to 25 points, with 1 being the lowest rating and 25 being the highest rating. Points will be grouped as follows: 1 to 5--Poor; 6 to 10--Fair; 11 to 15--Average; 16-20--Excellent; and 21-25--Superior. Ranks and rates shall be used to qualify for the elimination rounds. In five-judge elimination rounds, the following criteria will be used to determine placements: (1) majority of 1st place rankings; (2) best four ranks; (3) judges' preference based on five ballots.

4. Awards:

Individual awards will be presented to those contestants advancing to the elimination rounds. These awards are based on preliminary and elimination rounds. The following point system will be used: 3 points for each 1st, 2 points for each 2nd, and 1 point for each 3rd place ballot received during preliminary rounds; and elimination round points based on the following scale: 6 points for each 1st place, 5 points for each 2nd place, 4 points for each 3rd place, 3 points for each 4th place, 2 points for each 5th place and 1 point for all other places. The student must be eligible and compete in four AFA-NIET events at the National Tournament before being considered for the Individual Sweepstakes awards. Twenty awards will be offered in this category.

School Sweepstakes awards will be presented to the top twenty schools based on results of performance in preliminary and elimination rounds. The top three students from each school in each event will be awarded points for the team based on the following system: 3 points for 1st, 2 for 2nd and 1 for 3rd. The points are then cut in half. Elimination round points are awarded based on the same system as the individual sweepstakes points outlined in the above paragraph. A "Top Community College Sweepstakes Award" will also be given when a minimum of five community colleges are participating.

5. General Rules Interpretation:

- a. A student may be entered in two dramatic duos if both have qualified. The student, however, may not enter another event in that conflict block--two duos count as two events.
- b. All rounds of Impromptu and Extemporaneous Speaking will be timed by the judge or the judge panel and time signals will be given to contestants unless otherwise specifically requested by the contestant.
- c. A contestant may not use the same cutting/content or any portion of that cutting/content in more than one event at any given tournament.
- d. In Extemporaneous Speaking, the use of electronic information retrieval systems, during any part of preparation time, is strictly prohibited. Attendance in the Extemporaneous Speaking preparation room is restricted to monitors appointed by the Tournament Director and the contestants in the event. Because Extemporaneous Speaking is an individual event, contestants are expected to prepare speeches on their own without consultation with others.
- e. Coaches and/or students must have available at the District and National NIET tournaments original scripts for all interpretive events and texts of speeches for all original events including a bibliography of all sources cited.
- f. All final rounds of interpretation events will be audio taped at the NIET solely for the purpose of possible Ethical Use of Literature violations. All final rounds of public address events are videotaped.
- g. Any research conducted at the NIET must be approved. Contact the NIET Chair for further information.

6. Hosting the AFA-NIET:

The AFA-NIET National Committee has voted to employ an "open" bid system for the location of the national tournament site. The National Committee is committed to moving the AFA-NIET around the nation as much as possible. Anyone wishing to be considered as host for the 2012 AFA-NIET should prepare a bid package including the attached Bid-To- Host Form and submit all documents to the AFA-NIET Chair, Dr. Frank Thompson, NO LATER THAN **MARCH 9th, 2010**.

7. Data for At-Large Qualification:

Please keep a complete record of all necessary data required on the At-Large Qualification Form. The At-Large Qualification Form is attached to this tournament letter. A separate form should be kept for each of your students. Remember that the At-Large Qualification Form must be submitted to your District Chair, **and should arrive no later than March 9, 2010.** SUBMISSION OF THE AT-LARGE QUALIFICATION FORM DOES NOT CONSTITUTE AN OFFICIAL ENTRY. Official entries must be entered on the official tournament entry form that is available online at the AFA-NIET web site.

8. Student Enrollment Verification Form

Each school participating at the AFA-NIET must submit the Student Enrollment Verification Form for all students competing at the AFA-NIET. **Student Enrollment Verification Forms must be sent to your District Chair along with your At-large entry forms.** SEE WEBSITE FOR THIS FORM. DO NOT send the Verification Forms to Professor Schnoor. This is a change in policy from previous national tournaments.

AFA-NIET 2009-2010 Description of Events

A EVENTS

Impromptu Speaking: An impromptu speech, serious in nature, with topic selections varied by round and by section. Topics will be derived from quotations. Speakers will have a total of 7 minutes for both preparation and speaking. Timing commences with the acceptance of the topics sheet. Limited notes are permitted.

Informative Speaking: An original, factual speech by the student on a realist subject to fulfill the general aim to inform the audience. Audio-visual aids may or may not be used to supplement and reinforce the message. Multiple sources should be used and cited in the development of the speech. Minimal notes are permitted. Maximum time is 10 minutes.

Prose Interpretation: A selection or selections of prose material of literary merit, which may be drawn from more than one source. A primary focus of this event should be on the development of the narrative/story. Play cuttings and poetry are prohibited. Use of manuscript is required. Maximum time is 10 minutes including introduction.

B EVENTS

***Dramatic Duo:** A cutting from one or more texts of literary merit, humorous or serious, involving the portrayal of two or more characters presented by two individuals. The material may be drawn from any genre of literature. This is not an acting event; thus, no costumes, props, lighting, etc, are to be used. Presentation is from the manuscript and the focus should be off-stage and not to each other. Maximum time limit is 10 minutes including introduction.

*** THIS IS A TRIAL DEFINITION THAT WILL BE USED FOR THE NEXT TWO YEARS.**

Extemporaneous Speaking: Contestants will be given three topics in the general area of current events, choose one, and have 30 minutes to prepare a speech that is the original work of the student. Maximum time limit for the speech is 7 minutes. Limited notes are permitted. Student will speak in listed order. Postings of topics will be staggered.

Persuasive Speaking: An original speech by the student designed to inspire, reinforce, or change the beliefs, attitudes, values or actions of the audience. Audio-visual aids may or may not be used to supplement and reinforce the message. Multiple sources should be used and cited in the development of the speech. Minimal notes are permitted. Maximum time limit is 10 minutes.

Program Oral Interpretation: A program of thematically-linked selections of literary merit, chosen from two or three recognized genres of competitive interpretation (prose/poetry/drama). A primary focus of this event should be on the development of the theme through the use of narrative/story, language, and/or characterization. A substantial portion of the total time must be devoted to each of the genres used in the program. Different genre means the material must appear in separate pieces of literature (e.g., A poem included in a short story that appears only in that short story does not constitute a poetry genre.) Only one selection may be original. Use of manuscript is required. Maximum time limit is 10 minutes including introduction.

C EVENTS

After Dinner Speaking: An original, humorous speech by the student, designed to exhibit sound speech composition, thematic, coherence, direct communicative public speaking skills, and good taste. The speech should not resemble a night club act, an impersonation, or comic dialogue. Audio-visual aids may or may not be used to supplement and reinforced the message. Minimal notes are permitted. Maximum time limit is 10 minutes.

Communication Analysis: An original speech by the student designed to offer an explanation and/or evaluation of a communication event such as a speech, speaker, movement, poem, poster, film, campaign, etc., through the use of rhetorical principles. Audio-visual aids may or may not be used to supplement and reinforce the message. Manuscripts are permitted. Maximum time limit is 10 minutes.

Drama Interpretation: A cutting that represents one or more characters from a play or plays of literary merit. A primary focus of this event is on the development of characterization. This material may be drawn from stage, screen, or radio. Use of manuscript is required. Maximum time limit is 10 minutes including introduction.

Poetry Interpretation: A selection or selections of poetry of literary merit, which may be drawn from more than one source. A primary focus of this event should be on the development of language. Play cuttings and prose works are prohibited. Use of manuscript is required. Maximum time limit is 10 minutes including introduction.

ALL MATERIALS USED IN COMPETITION SHALL NOT HAVE BEEN USED BY THE STUDENT IN INTERSCHOLASTIC COMPETITION PRIOR TO SEPTEMBER 1, 2009

AFA-NIET ETHICAL USE OF LITERATURE POLICY:

1. Contestants may not rewrite a prose, a poem, or a dramatic text so the work differs from the original text.
 2. Contestants may not add or reassign scenes or lines to the performed cutting. Although an occasional line might be added, especially if a character has been deleted. This practice should be discouraged.
 3. Contestants may not rewrite the ending of a work.
 4. Contestants may not rewrite lines to change the gender or person of a character.
 5. Contestants may not perform a text in a genre for which it has not been written.
 6. Protests should be filed according to AFA-NIET Charter Bylaws Section X.
