

CEU Requirements - Fall, Spring, and Summer 2012-3

International Stuttering Awareness Day Online Conference

Instructor: Judy Kuster (judith.kuster@mnsu.edu)

REQUIREMENTS

Each online conference is available for 1.5 CEUs (15 hours) awarded by MSU, Mankato. Students may register for the most current CEU for 1 credit, or if they wish, up to 4 additional conferences chosen from the past 4 conferences. credits. The 2012 conference is "live" from October 1-22. Other conferences (any of the past 4 conferences - 2008-2011 are available, listed at <http://www.mnsu.edu/comdis/kuster/isadarchive/onlineconference.html>

If you are registering for only one conference (1 credit) you must take the current 2012 conference which will open October 1, accessible online at the top of the Stuttering Home Page (<http://www.mnsu.edu/comdis/kuster/stutter.html>)

1. Each participant must read EVERY panel and paper as well as scan "The Professor is In" from the conference/s they register for. **Please note:** past conferences are NOT live due to their being offered a second time, so the opportunity to interact with the authors in not available. The threaded discussions were only "live" from October 1-22 of the year of that conference. However, the comments and questions on the threaded discussions are still available to read.

2. All participants are required to distill each of the articles (including panel discussions and audio offerings where available) into a succinct (2-3 sentences is fine) summary paragraph. Then, add a sentence or two relating something you learned from each (a kernel of knowledge or an insight). The summaries should be sent as a single document via postal mail to the address listed below by December 3, 2012 if you are registering for Fall 2012. Spring papers are due May 2, 2013 and Summer papers are due July 22, 2013.

3. Each participant should review the threaded discussions attached to each paper. Choose six papers from the conference/s you are doing and post a question for the author. Make sure that the questions you are asking have not been asked already. For the Fall CEU, be sure to do this while the conference is still "live" giving the authors at least a week to respond (**i.e. you should have at least six papers read and your questions posted before October 15**). Include the question you asked the author at the end of your summary for the six papers you chose to post a question. Remember that the threaded discussions will close October 22, so you will still have plenty of time to complete the other assignments. If you are taking past conferences, and after your written summary (requirement 2) pose a question you would liked to have asked for six of the papers.

4. Each participant must provide a 1 page written feedback about the format and content of the conference.

Assignment Deadline -

FALL - All assignments are due December 3, 2012

SPRING - All assignments are due May 2, 2013

SUMMER - All assignments are due July 22, 2013

Please mail or deliver all assignments to:

Judith Kuster
Communication Disorders
103 Armstrong Hall Minnesota State University
Mankato, Mankato, MN 56001

Incompletes will not be given except in cases where a student cannot complete the work due to circumstances beyond his/her control. **Students are expected to comply with the university's policy on academic integrity. Any student suspected of violating this policy jeopardizes receiving a passing grade.**

Every attempt will be made to accommodate qualified students with disabilities. If you are a student with a documented disability, please notify me to discuss the necessary accommodations, and/or contact the Disability Services Office at (507) 389-2825 (V) or 1-800-627-3529 (MRS/TTY).
