Where do I belong?

Whoa! What was that!? We know you can do better. Don’t let it happen again...or else.

Man, was that embarrassing! We should’ve used a normal speaker...but everybody thought you were - you know, normal.

How dare you deceived me! You never mentioned “that.” It would’ve changed everything. Liars aren’t welcome here!

You can’t understand my world. You’re too fluent... Why are you here?

You’ve never struggled like me. You rarely stutter... So what’s your “big problem?”

What gall! Trying to support me, as if you’re a real stutterer... You just can’t relate.

Covert Stuttering’s Fear of Isolation
