Getting wasted is a formula for trouble.

You don't need to be a rocket scientist to know what too much alcohol can do.

Incapacitated individuals are transported to detox in New Ulm or a hospital emergency room in accordance with Minnesota Statute 253B.

A person may be held in detox up to 72 hours for evaluation, exclusive of weekends and holidays.

And then there is the cost of reimbursing the County:

- $225.50/day × 3 days = $676.50
- Add the cost of detox ($676.50) + the cost of a first-time underage consumption fine ($274.00) = $950.50

Is getting drunk worth it to you?
