2012 Built Environment and Construction Conference Exhibitor Registration

Thursday, February 2, 2012
Minnesota State University, Mankato
Centennial Student Union Ballroom
www.mnsu.edu/continuinged/built

Exhibit at the 2012 Built Environment and Construction Conference

The BEC Conference is a perfect venue to connect with building industry professionals from throughout south-central Minnesota. Residential and commercial contractors, architects, civil engineers and students, among others, will be in attendance for a day of educational offerings and a chance to learn about new trends and product releases, tips for increasing productivity and solutions to the challenges of today's marketplace. This is an ideal opportunity to network and get the word out about your products and services.

Residential contractors from around the area will be obtaining their continuing education credits throughout the day. Continuing Education seminars for architects and engineers will be offered as well.

Product Expo Hours

10 a.m. – 3:00 p.m.
