

# INSTITUTO DE LOS MEXICANOS EN EL EXTERIOR

SCHOLARSHIP FOR HIGHER EDUCATION 2011-2012

## *Cecilio Santana*

First and foremost I want to thank the Institute for Mexicans Abroad for their support and generous award. Being a senior in the twilight of his undergraduate career, I plan to use the scholarship funding to complete my degree. Having additional funding diminishes the pressure of having to work to pay for school and will allow more time to prepare for life after Mankato. My plans are to work as a civil engineer in an urban area with a focus on water resources.
