Professionals Committed to Diversity  
BIO

**NAME:**

Amy Mukamuri

**CURRENT POSITION AND DEPARTMENT:**

Director, Institutional Diversity English Institute

**YOUR PERSONAL VISION OF DIVERSITY:**

No one is equal or safe unless we are all equal and safe. Our communities and institutions must reflect the reality of our global connections and responsibility as well as the diverse cultural make up of our American society and those communities and institutions must be safe and equal for all.

**GOALS AND VISIONS ABOUT DIVERSITY AT MSU:**

MSU continues to be a dynamic and progressive institution of higher learning. What makes MSU unique is that it is also accessible to all learners. We must continue to work to make this learning community inclusive of all learners; through support and awareness of the new and culturally diverse learners we can and should include in our community!

**SHE HAS BEEN A MEMBER OF THE DIVERSITY COMMISSION SINCE 2008.**
