

PRESIDENT'S COMMISSION ON DIVERSITY

Professionals Committed to Diversity

BIO

Name: Julie Snow, MS, LSW

Current Position and Dept:

Director of Disability Services and ADA
Compliance

Her Personal Vision on Diversity:

My personal vision of diversity is to be open, cognizant, and respectful of individual needs and the perspective of diverse groups. My personal and professional goals include always working toward inclusion and equal access for all individuals.

Her Goals and Visions about Diversity at MSU:

My vision for diversity at MSU is a holistic, universal view that values difference and strives toward creating an inclusive environment for all. Students, faculty, staff and administrators reflect diversity and are engaged in meaningful interactions that promote learning and value diversity.

Diversity goals include:

- *Increasing the number of traditionally underrepresented groups of students, faculty, staff and administrators.*
- *Fostering an open and welcoming environment for all members of the community and integration of diversity into all levels of curriculum and university programs.*

She is a member of Diversity Commission Since 2004.
