

# PRESIDENT'S COMMISSION ON DIVERSITY

## Professionals Committed to Diversity

### BIO

**Name:** *Thomas C. Gjersvig*

**Current Position and Dept:**

*Director, International Student & Scholar Services*

**His Personal Vision on Diversity:**

*Diversity is constantly evolving. In my work, I am fortunate to constantly meet and get to know in people from different parts of the world, but it's more than just culture. There are language, religious, lifestyle, regionalisms, and so much more to learn. I try to keep myself grounded and focus on all aspects of diversity, not just the global and cultural aspects I deal with on a daily basis.*

**His Goals and Visions about Diversity at MSU:**

*We must increase MSU's diversity in all employment areas. Within faculty and all staff bargaining units, we must retain these employees. Each MSU employee and student should increase their diversity experience and knowledge on an individual level. I hope to see our communities of color being active and involved at MSU, in the community and in after school K-12 activities.*

*He is a member of Diversity Commission Since 2005*
