### What do you like about MNSU?

*I like the educational environment and friendly environment of MNSU. I got great opportunity to interact with international friends and share cultures.*

### What is your opinion regarding diversity at MNSU?

*There is a great diversity at MNSU. Students from all over the world are present there. Since I got to here, I got to know a lot of people from all over the world. I also have got international friends. I got chance to share different cultures. In addition to this, there are different cultural programs like Nepal Night, International festivals, Saudi- Arabian Night and so on.*

### What is your involvement in campus activities?

*I joined the campus kitchen. I became the member of the friendship family program. I got my host family here. I also took part in Saudi Arabian Night and contribute them to run their cultural program successfully.*

### Would you recommend MNSU to others?

*Yes I would definitely recommend MNSU to others. I found MNSU provides high quality education in various majors. It also provides instate tuition to all international students. We get great opportunities to share cultures too.*

### What are your future plans?

*I want to get a nursing degree from MNSU and work as a Nurse.*
