

# Educational Talent Search Request For College Application Fee Assistance

**Important:** Please use BLACK ink. For approval of application fee assistance, please fax (507)389-6904 or mail this completed form to ETS. You will be notified of the fee assistance decision within four business days of ETS receiving your request. ETS is not able to make payment without application and transcript so you may attach both with this request or wait for approval and mail to ETS upon approval. If applying online we will need a copy of application or letter from college indicating fee is needed along with official transcript. Payment can take up to 5-7 business days once packet is complete. We will mail application and payment directly to the college. You will also receive a confirmation note when application/ payment has been sent. ETS cannot reimburse fees paid previously.
