1. What are the immediate concerns that should be addressed by your sub-meet between now and the end of this academic year? What steps need to be taken?

2. What suggestions do you have for making the three sub-meets work effectively together, now and in the future?

3. As your sub-meet looks toward the upcoming academic year (2009-2010), what are predictable concerns that your sub-meet should be prepared to address when you return in the fall?
