

Our Values
Joint Budget and Planning Submeets, Jan. 24, 2003
With Modification, March 25, 2003

The following values were identified as important ones to be affirmed in the budget management process:

- Provide quality classroom instruction in a safe, secure learning and teaching environment
- Promote student learning that is aligned with modern needs
- Recruit/retain a diverse student body
- Maintain a “good value” education
- Maintain our physical, technical, and human infrastructure.
