Detach and return

Field Trip Parental Authorization

Student's Full Name

School and Grade

Parent/Guardian's Name

Name of Field Trip/Date

Emergency Contacts on date of trip:

#1

Name Relationship Phone number(s)

#2

Name Relationship Phone number(s)

My signature below indicates that my child has my permission to attend the field trip with Educational Talent Search. I understand that the necessary plans and precautions will be taken for the care and supervision of the students during the trip. Beyond this, we will not hold Educational Talent Search, MSU, Mankato or those supervising the trip responsible.

I will arrive to pick up my student at the indicated time in respect to the schedules of the ETS staff. I will notify my student/ETS staff member if a situation arises to cause me to be late.

My signature also indicates that I will provide permission for my student's absence to the school (if field trip is on school day) prior to the field trip so the school is aware my student will be absent.
