IPESL Leadership Team Meeting

Minutes - September 5, 2007

1. An IPESL Celebration and Breakfast is scheduled for Sept. 11. Approximately 30 people have rsvp'd for the Celebration. However, only 10 of the 39 IPESL faculty have indicated participation. Provost Olson will be sending out a personal invitation to the IPESL faculty to attend the Celebration/Breakfast. We hope for better attendance from the IPESL faculty.
2. Workshops related to critical thinking by Dr. Barbara Millis (and hosted by CETL) are scheduled for September 10 and 11. Indicators of attendance are, so far, rather low. We hope for high attendance from the IPESL faculty. Dr. Ross has sent out numerous reminders.
3. The Critical Thinking Community of Practice has 9 participants. Only 5 of the 9 participants are from the 39 IPESL faculty . Only 5 out of 39 ... discussion was held on what is holding back the other 30 from participating. CETL will move forward with the 9 lucky current participants!
4. The university-wide IPESL Final Report is due to MNSCU on October 31. Discussion was held on who should take responsibility for this task. Numerous individuals recommended Dr. Karen Boubel and Dr. Chuck Lewis in their roles as IPESL Fellows are uniquely positioned to prepare the final report. Dan C-M will be sending them details about the report.

Faithfully submitted,  
Dan Cronn-Mills
