The following message from MMB-SEGIP applies to insurance-eligible employees:

The Eide Bailly OneCard will be discontinued and deactivated as of December 31, 2013. This is the debit card currently used to access the pre-tax Flexible Spending Accounts (FSA), such as the Medical Dental Expense Account (MDEA) or dollars that remain from the 2009 or 2010 Health Reimbursement Arrangement (HRA) or MnSCU HRA.

Employees who made 2014 MDEA elections and/or those with a balance remaining in their 2009 or 2011 HRA, and those employees eligible for the MnSCU HRA account will be receiving new debit cards for plan year 2014. Our new 2014 card is the red, Benny Card. Please note that it will arrive in a plain white envelope with a return address from Eide Bailly. When you receive your new debit cards, you should find two new red Benny Cards in your mailing.

If you made an election to participate in the 2014 MDEA, your new Benny Card has been processed and should arrive in your home mail prior to January 1, 2014.

If you did not elect a 2014 MDEA, but still have funds remaining in the 2009 or 2011 HRA, you should watch for your new Benny Cards to arrive by the end of January or early February. Participants can still submit manual claims (either online or via a paper reimbursement form) until they receive their new cards. Remember, funds that remain in the 2009 or 2011 HRA carry forward into the new year; but a small monthly administrative fee is charged.

Participants who only have the MnSCU HRA and receive a 2014 contribution will receive new cards that will include the 2014 contribution by late February; any roll over dollars will be loaded on the card in March. MnSCU HRA participants can submit manual claims (either online or via a paper reimbursement form) until they receive new cards. If participants have a balance in their 2013 MnSCU HRA only, they will receive their debit cards late March, after Eide Bailly receives the final balance report from MnSCU.

Even though the Eide Bailly OneCard will be deactivated on December 31, 2013, you can still seek reimbursement for eligible expenses incurred in 2013 (prior to February 28, 2014) by submitting a manual Reimbursement Form directly to Eide Bailly. To obtain a manual Reimbursement Form visit the Eide Bailly Website at: http://www.eidebailly.com/som

Likewise, if you would like to access the HRA funds prior to receiving your cards, you may do so by accessing the forms on-line or by submitting your reimbursement request electronically.

Thank you. If you have questions about the pre-tax accounts, you may contact Eide Bailly at 612-253-6633 or 800-300-1672.
