Important Reminder: New Debit Cards for Medical/Dental Expense Account (MDEA) & Healthcare Reimbursement Arrangement (HRA)

Participants in the MDEA and HRA will be receiving or have received a new debit card, the Benny(r) card, from Eide Bailly, the pre-tax plan administrator, for use beginning with plan year 2014. Note that this card is different from the Benny(r) card that participants may have received in prior calendar years. Participants should discontinue use of the current State-issued debit card, the OneCard, after December 31, 2013. The newly-issued Benny(r) card should not be used to pay for expenses incurred prior to January 1, 2014.

All participants who made a 2014 MDEA election will be receiving or have received a set of two red Benny(r) cards. Participants who have an HRA balance from either the $250 or $125 HRA and did not make a 2014 MDEA election will receive new cards by the end of January or early February. These participants can still submit manual claims (either online or via a paper reimbursement form) until they receive new cards. Participants who only have the MnSCU HRA and receive a 2014 contribution will receive new cards by late February. These cards will include the 2014 contribution. Any roll over dollars will be loaded on these cards in March. MnSCU HRA participants can submit manual claims (either online or via a paper reimbursement form) until they receive new cards.

Please note: The cards will be mailed to participants with Eide Bailly as the sender. Please be sure to check your mail so that the newly-issued debit cards are not mistakenly discarded. The cost to reissue a card or replace lost cards will be $10 per two cards, which will be deducted from the participant’s account.

Important: Save ALL receipts from debit card transactions. The IRS requires that ALL debit card transactions be identified either through automatic matches or requests for substantiation.

Please contact Eide Bailly Employee Benefits at either 612-253-6633 or 1-800-300-1672 with any questions regarding the debit card. If you have not received your debit card, please contact Eide Bailly to confirm you have an account. Eide Bailly can also confirm the date the card was mailed and can confirm whether or not the card was returned to Eide Bailly as undeliverable.
