Tuition Waiver Quick Reference Guide (Employee)

This tuition waiver application provides employees with an online tool to submit their tuition waiver application for Human Resources to review and approve. After approval, the tuition waiver information is reported to campus accounts receivable offices for application to the student bill.

Employees will also be able to view the following information on-line:

- View Summary of Requested and Approved Tuition Waiver Credits
- View Tuition Waiver Eligibility Information
- Apply for Tuition Waiver
- View Applications
- View MnSCU Tuition Waiver Benefits for Employees Matrix and the Waiver Procedure Guide

NOTE: The tuition waiver system is not integrated with the student registration system. Normal registration procedures must be followed and the expectation is that course registration would occur prior to the completion of the tuition waiver application.

Waiver Processing

You will no longer provide the Accounts Receivable office at the campus where classes are taken with a paper tuition waiver form. They will be able to extract approved tuition waiver data from the system and process them in a more automated fashion. It's a good idea, in the short-term, to follow through with them to make sure they have processed your approved waiver.
