**Coming soon:**

MathSciNet

INSPEC

- **Frequently Asked Questions**

- How do I request a consultation with a librarian?
  - Click “Ask a librarian” on library home page and then click on “request a consultation”
- Where do I start if I am planning to research “X”?
  - Try the Subject Guide pages for ideas on which databases are suggested for your discipline
    - Try broad search terms and then narrow down
  - Don’t forget the Library catalog!
  - Ask a librarian: at the desk, on the phone (x5958), chat, or via consultation

- **Open Question and Answer**

- Your chance to ask me, Mark, and Evan about the databases I just introduced or about anything we did not cover.
