If you wish to take your own photos, please follow these guidelines:

Camera/ Subject Position

- Place camera approximately 4 ft (120 cm) from the subject.
- Have camera at subject's eye level.
- Position subject facing the camera.
- Use only a white or off-white background

Photograph Print Properties

- Produce 2 inch x 2 inch (51 mm x 51 mm) color photos.
- Print photo on thin photo paper or stock.
- Ensure the print is clear and has a continuous-tone quality.
- Do not retouch or otherwise enhance or soften photo.
