Peer Mentor Application

The Kearney International Center staff needs supportive and responsible students who can help us during the week of the International Student Orientation. Some individuals may be also needed for additional events in the days following orientation. This is a great opportunity to gain leadership skills, meet new friends from around the world, and help new students adjust to their life at MSU, Mankato. Please fill out the application form and submit it to the IC by the deadline. If you are an international student and need contribution hours, you may earn up to 20 contributions hours for your assistance. You do not automatically receive 20 hours, and actual volunteer hours may actually exceed 20. You will be contacted about the schedule by e-mail, two weeks after the dateline. **Graduate students are encouraged to apply for this position.**

Please write your preferred e-mail correctly and clearly.

Name: _____ _____
First Name Last Name
