

Join the 'CHAT' for the new International Students

The International Student and Scholar Services (ISSS) staff would like to spend some personal time talking to you. We have scheduled an online chat with as many new students, International Student Orientation peer mentors, and staff as possible to help answer your questions and allow for an open dialogue with you.

The date: Tuesday, December 1st, 2009

The time: 8:30 AM CST (Minnesota Time) for IC staff and new International

Students

We will ask Peer Mentors to join in starting at 9:00 a.m. "Peer Mentor" is a current International Student assisting you during International Student Orientation.

This 8:30 AM start time was chosen, because it would be evening hours in most countries during the chat and hopefully allows most of the new students to attend.
