BRIGHTSPACE 10.8.10 / FEB 2019 UPDATE FOR MINNESOTA STATE USERS

This document's intended audience is **Students** at the colleges and universities of Minnesota State.

The following release notes are Minnesota State users who want information on D2L Brightspace Platform features released in version 10.8.10 (February 2019).

Note that some features or products were excluded from the original document as they were not applicable to Minnesota State users. We have only included relevant features to bring them to the attention of our Minnesota State D2L user community.

NEW AND UPDATED FEATURES

INTEGRATIONS – TURNITIN

TurnItIn – Link to e-Rater[®] Grammar feedback | [New 10.8.10](#)

Note: Only applicable to Minnesota State institutions that have purchased TurnItIn's D2L Brightspace integration.

Instructors can now turn on the e-rater Grammar checker, developed by ETS[®], in Brightspace Learning Environment.

Once turned on by an instructor, learners are provided a link to e-rater Grammar feedback upon submission of an assignment. This enables learners to review Grammar feedback immediately on assignment submission, which is important for assignments that allow for multiple submissions. Learners can initially submit an assignment, receive Grammar feedback, and then submit another version of their assignment after incorporating the Grammar feedback.
