Special Thanks to the Department of Theater and Dance for their support.

We have chosen to create this collaboration with our students to give them real life experiences and help them find new ways of introducing audiences to all types of music. When faculty serve as models in rehearsal and performance, we believe our students acquire an awareness and understanding of professional aspects of how to envision and execute this type of presentation. We hope you will appreciate this concert through its creative, theatrical, technical and informative aspects as well as the performance itself. Thank you for attending.
