

American Eagle Airlines

Pilot Pipeline Program

American Eagle Airlines has partnered with Minnesota State University-Mankato to develop a career path from student to Regional Airline Pilot. This program gives the pilot a secured position at American Eagle Airlines while building time towards the ATP minimum flight experience requirements. Not only does the program provide this streamlined career path, but pilots are guaranteed an interview with American Airlines once completing requirements at American Eagle.

Instructors can begin the full interview process right away! Students in their sophomore year or higher can complete the HR interview while still in school. American Eagle conducts HR interviews on campus twice per year. The requirements to begin the interview process are:

- Sophomore status
- Private Pilot Certificate
- Instrument Rating
- Minimum 2.5 Cumulative GPA
- Minimum 3.0 Cumulative GPA in Aviation Courses

As an added incentive, American Eagle is offering a \$10,000 scholarship* upon joining our airline as a First Officer. The requirements for this scholarship are:

- Complete a Bachelor Degree Program in an Aviation Major
 - *GPA requirements above apply*
- Complete Flight Certificates at MSU (Northstar):
 - Instrument
 - Commercial
 - Multi-Engine
 - CFI
