POLICY STATEMENT:

The University's computing facilities are intended to be used by students and faculty for projects directly related to their academic assignments and responsibilities. Instructions and guidelines for use of the computer are available from the Web site. Computer equipment, software and personnel may not be used for personal benefit or the benefit of organizations, external to the University. Exceptions to this provision may be made by the Director of Information & Technology Services when s/he determines that there is a clear benefit to the University, its program or students, and there is full compensation to the University by the individual or external organization for all services.
