### Program Description:

This option prepares graduates for various careers in health promotion, wellness, food service, and/or nutrition (such as restaurant or school lunch management); research and development or quality assurance in the food industry; and/or in corporate food distribution, production, sales and service. A supervised internship during the major allows students to gain experience in a particular area of interest. While a minor is not required, it is strongly recommended in order to improve employment opportunities.

### Admission Requirements:

To be permanently admitted to the Department of Family Consumer Science a student must:

- be a declared major in FCS
- have an advisor assigned
- have completed a minimum of 32 semester hours
- have a minimum cumulative GPA of 2.50

### Advising:

You are expected to meet with your advisor on a regular basis to ensure courses are taken in an order that will lead to successful completion of the degree.

A complete listing of program faculty, policies, and course descriptions is available in the undergraduate bulletin.
