**Meal Plan Changes**

In order to request a meal plan change, please complete this form and sign at the bottom. Then, return it to the Department of Residential Life. When your meal plan change is approved, you will receive your copy of the form. The last day to change meal plans for each semester is the Friday of the second week of class. After this date, change requests will take effect the following semester. A limited number of Maverick Flex plans are available. Students on a Meaverick 160 plan who have used all of their meals prior to the end of the semester may purchase a new meal plan with weekly prorated charges or they may purchase Flex Dollars only.

*Unlimited Dine-In Access Includes 50 Flex Dollars*

This ultimate meal plan is the closest thing to having your own kitchen. This plan allows you unlimited access to the Gage and Carkoski Dining Halls. Stop by at 11:30 for a quick lunch on your way to class, return for a snack mid-afternoon, and stop by again for a soda before dinner begins with this ultra-flexible plan. You can also choose, instead, to put together a sack lunch to bring with you for your day or take a hot meal back to your room.

The \$50 per semester in Flex Dollars can be utilized at any dining location on campus at any time of the day. These Dollars carry over from fall semester to spring semester. Flex Dollars not used by the end of spring semester will be forfeited.

*14 Meals per Week Includes 125 Flex Dollars*

The 14 meals per week plan appeals to students who may only eat two meals each day and want to snack, or to those who want to eat all of their meals during the week. This plan ensures that you have meals available to you in the dining halls every week of the semester. One meal may be used during each of the three meal periods—breakfast, lunch (or brunch on weekends), and dinner. Sack lunches and hot take-out meals are available on this plan as well.

The \$125 per semester in Flex Dollars included with this plan can be utilized at any dining location on campus at any time of the day. These Dollars carry over from fall semester to spring semester. Flex Dollars not used by the end of spring semester will be forfeited.

*160 Meals per Semester Convert Meals to Flex Dollars*

This plan offers the ultimate flexibility to customize your meal plan. Start out with an allotment of meals for the semester, then eat as many (or as few) meals each week as you would like—up to 160 meals for the entire semester. Plus, add the unique ability to convert any of the 160 meals a semester into flex dollars at a rate of \$5 per meal, twice a semester (by November 30 for fall semester and April 30 for spring semester). With this plan, you can determine whether you want more traditional meals in the dining halls or greater flexibility with Flex Dollars to be used at any dining venue on campus. Also available is the ability to take a sack lunch or hot meal out of the dining hall. Semesters are approximately 16 weeks long, resulting in an average of 10 meals per week.

Your converted Flex Dollars can be utilized at any dining location on campus at any time of the day. Converted Flex Dollars not used by the end of EACH SEMESTER will be forfeited.

\_\_\_\_\_ **Flex Dollars**

The \$75 per semester in flex dollars included with this plan can be utilized at any dining location on campus at any time of the day. These Dollars carry over from fall semester to spring semester. Flex Dollars not used by the end of spring semester will be forfeited. Students are welcome to use their Flex Dollars to buy a meal in the dining halls as no meals are included in this plan.

Meals are not transferable to other people. You and you alone may eat your meals. Refunds may be available only if the student has withdrawn from the University or has written documentation of a medical or health problem which would impede the student's ability to remain on a Meal or Flex Dollars plan. Please inquire at the Department of Residential Life for more detailed information about associated charges if you wish to cancel your meal plan.

Charges for meal plans will be added to your University account. Payments for meal plans are due in accordance with the Payment Due Dates as outlined in the Student Guide to Financial Policies and Information. Failure to satisfy these financial obligations will result in the denial of further meals (without refund) and/or a hold on registration and official records.

*I request my meal plan be changed as indicated above. I understand my charges will be adjusted accordingly.*
