Applying For Summer Housing

Complete the Summer 2011 Housing Application. Indicate your priority on the application regarding room type. Due to limited space, we cannot guarantee we will be able to honor your room type request or make a guarantee of roommate compatibility.

Carefully read both sides of the Residence Hall Contract. It is a binding agreement for the duration of the period indicated on your application. Sign and date the bottom of the contract. If you are under 18 years of age, a guardian's signature is also required.

Return your housing application and the Residence Hall contract, along with the payment indicated below, to the Department of Residential Life. You will receive your copy of the contract when you are notified of your room assignment and room type on or after April 22.
