MSU women sweep Buckeyes

COLUMBUS, OHIO — Lisa Edman's goal at 7:26 of the third period lifted the Minnesota State women's hockey team to a 2-1 victory and a series sweep over Ohio State Saturday in both teams' regular-season finale.

The win, coupled with North Dakota's loss to Minnesota Duluth, helped the Mavericks (10-17-5, 7-16-5 in WCHA) secure the fifth seed in the WCHA tournament. Minnesota State will travel to St. Cloud St. Cloud State next week for a first-round matchup.

Maggie Fisher scored a first-period goal for the Mavericks, and goalie Paige Thunder stopped 32 of 33 shots. Holly Snyder assisted on both goals.

Edman's goal came just nine seconds after Ohio State tied the game at 1-1.
