What is the Blue Line Club Memorial Endowment?

The purpose of the Blue Line Club Memorial Endowment is to receive all donations and memorials from people interested in MSU Division I hockey. The earnings from the Endowment and proceeds from the golf tournament are currently being used to fund two tuition scholarships and grow the Endowment. As the Endowment increases, more scholarships will be awarded. The Endowment will continue to serve this purpose forever. The golf tournament and the endowment were created in Dan Meyer's name to recognize him and his family's love of MSU hockey and golf.

This year, scholarships will be awarded to Kael Mouillierat, men's hockey top returning scorer, and Christina Lee, 2008-09 MSU women's hockey team all-time career leading scorer.
