

# BUILDING ON OUR TRADITION OF SUCCESS

## MAVERICK ALUMNI LOCKER ROOM CAMPAIGN

MINNESOTA STATE UNIVERSITY MANKATO

Our dream of a modern, up-to-date and state-of-the-art permanent home for Maverick Hockey in downtown Mankato is becoming reality. We are extremely excited to see the new space coming together and to realize the impact it will have on our program now and in the future.

The new facilities will include a spacious lounge for student-athletes to use, a complete suite of offices for the coaches and staff and well-equipped training, equipment and video rooms. The David Backes Strength and Conditioning Room will have everything our athletes need to work out and be ready to play. The locker rooms for both the men and women will be state-of-the-art.

As we reach the final leg of the renovations at the Verizon Wireless Center, we want to extend an opportunity for all of our Maverick Hockey alumni to be involved in supporting this project. We are offering you the opportunity to purchase one of the lockers in either the locker room or the dress-down area. We will recognize each alum who supports this effort with a plaque on a locker honoring them as a “Maverick Builder.”

We appreciate the support that the Maverick Hockey Alumni Family has provided to the program over the years. We are proud of all that you have done—and we are sure that you will be proud to be associated with the new home of Maverick Hockey!
