Bruce Klein Memorial Golf Scholarship Endowment	McCarthy Family Baseball Scholarship Endowment
Bob & Dorothy Otto Scholarship Endowment	
Lloyd/Steiner Family Scholarship Endowment	

Give the gift that keeps on giving - start or contribute to an athletic endowment.

WAYS TO GIVE

Annual Giving An annual gift is an expendable contribution to Minnesota State Athletics. Annual gifts truly make a difference in the lives of our fine young men and women. Gifts by currency or personal check immediately benefit the Department of Intercollegiate Athletics and are easiest and most direct way to give, however pledges can also be made in support if any of the athletic programs.

Corporate Matching Gifts Matching gifts are an easy way for donors to double and even triple the impact of their annual gifts. If you or a spouse's employer is a matching gift company, just ask your human resources office for a matching gift form.

Endowments An endowment is the time-honored method of allocating certain gifts to an investment fund. This fund is invested to earn income each year. As the principal grows, so does the income. The fund is used to support student-athlete scholarships, however the principal always remains invested in order to grow the fund.

When you make a gift to our endowment fund, it can be an outright gift or deferred. Your gift can turn into a legacy of annual gifts for Minnesota State Mankato Athletics in your name, or in the name of a loved one, while also gaining tax benefits for your generosity.

Planned Giving Planned gifts provide for tomorrow's Minnesota State Mankato and sometimes benefit the donor during their lifetime. Types of planned gifts include bequests, life income arrangements, charitable gift annuities, deferred gift annuities, charitable remainder trusts, real estate with retained life use, and charitable life trusts. Members of the Minnesota State Mankato's development staff work with donors' legal and financial professionals to create estate plans that provide maximum benefit to the donor and the University.

Donors who have included Minnesota State Mankato in their wills and estate are invited to join the MSU Heritage, an honorary giving society.

Securities Gifts of appreciated securities to Minnesota State Mankato provide the donor with income tax deductions based on the appreciated value of the stock as long as the donor has held the stock for at least 12 months and 1 day. The owner pays not capital gains tax on gifts of stock to Minnesota State Mankato.

**If you would like to make a gift to Minnesota State University, Mankato, please call 800-662-2705 or
On-line through the University's secure on-line gift form at: <https://secure.mnsu.edu/advance/>**
