ETHNIC AND MULTI-CULTURAL STUDIES MS

*College of Social & Behavioral Sciences
Department of Ethnic Studies
109 Morris Hall • 507-389-2798*

Chair: Yueh-Ting Lee, Ph.D.

Wayne Allen, Ph.D.; Hanh Huy Phan, MS; Yueh-Ting Lee, Ph.D.; Joann Quinones-Perdomo, Ph.D.; Luis Posas, Ph.D.

The Department of Ethnic Studies, an interdisciplinary program, is academically committed to promoting multicultural and ethnic knowledge, values, and skills both within and outside the United States and to preparing our students for effective functioning across the culturally diverse and global community. The Ethnic and Multi-Cultural Studies Program (EMCS) with an MS degree is offered to meet the diverse needs of students concerning scholarly academic work, practical application of knowledge and personal growth. Our EMCS graduate program will provide students with multi-ethnic and cross-cultural knowledge, values, and skills from American and global perspectives.

First, students will gain factual knowledge by taking courses focusing on different ethnic, racial, and cultural groups as well as discrimination, immigration, stereotypes, and other important issues. Second, they will learn how to understand and appreciate the different values and beliefs each cultural or ethnic group has. Third and most importantly, students in this program will be expected to gain the following skills – e.g., (a) research skills, writing skills, and/or computer/statistical analysis skills, (b) human resources management and leadership skills, (c) counseling skills, and (d) cultural competency skills or cross-cultural training, and diversity management skills. There is a strong emphasis on competency in applied skills because advocacy must have practical application as its foundations to be credible.

Admission requirements:

1. An undergraduate GPA of at least 3.0 on a 4.0 scale;
2. A baccalaureate degree from an accredited college or university;
3. At least 9 credits in ethnic and cross-cultural areas. This requirement may be waived if the applicant can show relevant work (related to other social sciences) or other experiences that provide the necessary background to pursue graduate work in EMCS;

4. Have knowledge of or skills in two languages (i.e., English plus preliminary level of another language – i.e., six credits of undergraduate language courses), but this may be subject to arrangement and discussion between the applicant and the Department); and
5. When students do not meet the normal admission requirements, they may be recommended for admission by the department subject to removal of deficiencies or other conditions.
