POLICIES/INFORMATION
Academic Advising: Students will initially receive their advising from the professional advisors in the College of Business Advising Center. When a student applies to the College of Business, they will be assigned a faculty advisor in the major area of study. Questions regarding the assignment of advisors can be answered in the College of Business Advising Center, 151 Morris Hall, 389-2963.

Information Technology Initiative: Students with a major or minor in the College of Business are required to obtain a notebook computer with a standard set of applications from the Campus Computer Store at Minnesota State University. Students who are majoring in other colleges may be enrolled in non-notebook classes as they are offered. For further information, please refer to the College of Business section at the front of this bulletin.

College of Business Policies: Students who are business minors, non-business majors or those who are not seeking a four year degree may take up to 24 credits in the College of Business. Students must be admitted to a College of Business major to be granted a Bachelor of Science degree in any College of Business major.

Residency: Transfer students must complete a minimum of 30 resident credits at the upper division (300-400) level in the College of Business at Minnesota State University, Mankato.

Transfer students pursuing a major or minor in the College of Business must complete at least 50% (one-half) of their major or minor coursework at Minnesota State University, Mankato.

GPA Policy: Students must earn a minimum grade point average of 2.0 (C) on the total courses taken in the College of Business and a 2.25 overall GPA to meet graduation requirements.

P/N Grading Policy: No more than one-fourth of a student’s major shall consist of P/N grades.

Assessment Policy: The College of Business believes that the ongoing assessment of its programs makes a vital contribution to the quality of those programs and to student learning. Student Participation is an important and expected part of the assessment process.
ACCOUNTING

Internships: Students are encouraged to participate in business and industrial organizations through internship programs. Internships are available during the junior and senior years. Students interested in internships should interview early with the internship coordinator for enrollment in this program.

Student Organizations. Students are encouraged to participate in the Accounting Club. The club is designed to bring students together for both professional and social purposes. Professional activities include members with a greater understanding of the accounting profession. These activities include speakers and tours, along with social activities.

The Council of Student Business Organizations (COSBO) which is comprised of the presidents of the nine organizations and the college representative of the Student Senate, works directly with the Dean’s office in the coordination of activities of the various organizations and sponsors activities of their own.
