The principal goals of Business Education are (1) to prepare students to meet the licensure requirements for service as teachers in grades 5 through 12; (2) to provide in-service education to vocational teachers in Minnesota; (3) to provide service courses to university students; and (4) to prepare students to be employed in business occupations.

The department offers an interinstitutional program that allows students to obtain a BS degree and teacher licensure from Winona State University. Through careful articulation, most coursework for the teaching major will be offered locally. Some BUED courses will be transmitted to numerous locations using a combination of delivery technology. Before pursuing this major, students are encouraged to meet with the business education coordinator for assistance in program planning.

Admission to Major in the College of Education is granted through the Office of Academic Advising, 117 Armstrong Hall.

Required Support Courses for Major (21 Credits)
ACCT 200 Financial Accounting (3)
ACCT 210 Managerial Accounting (3)
ECON 202 Microeconomics (3)
FINA 362 Business Finance (3)
BED 330 Business Communications (3)
BED 310 Principles of Marketing (3)

Required Administrative Information Systems Content for Major (29 credits)
(Courses to be taken at South Central Technical College or Winona State University)

BED 201 Keyboarding (1 or 2)
BED 215 Personal Finance (3)
BED 355 Information Resource Management (3)
BED 340 Integrated Information Systems Applications (3)
BED 360 Interpersonal Business Relations (3)
BED 435 Information Systems/Personnel Management (3)
BED 490 Capstone Seminar (1)

BED 120 (3) Introduction to Business Communication
Introduction to Business Communications emphasizes the development of proofreading, grammar, punctuation, vocabulary, spelling skills. Then these skills are used to compose a variety of business and personal documents. Provides an excellent foundation for all university students, as all career choices require excellent written communications. Students must attend during first two weeks of class. Remainder of semester will be on-line, self-paced.

BED 161 (3) Word Processing/Keyboarding
Develop basic touch keyboarding skills and efficient keyboarding techniques for all persons who will be inputting and retrieving information on alphabetic and numeric keyboards. Prepare personal and business correspondence, manuscripts, and reports on computers. Open to all students with limited or no touch-typing skills.

BED 162 (3) Intermediate Word Processing/Keyboarding
Develop employment skills and master word processing applications on computers. Recommended for students who wish to enhance skills beyond basic keyboarding and word processing.

BED 163 (3) Advanced Word Processing/Keyboarding/Machine
Produce business and personal correspondence, tables, macros, templates, manuscripts, and other documents using computers. Use transcription equipment for licensure competency.

BED 201 (2) Information and Records Management
Establish, manage, maintain, and manipulate a business database. Learn preservation and legal ramifications of paper, microfilm, magnetic, and other media. Learn about computers to maintain records.

BED 206 (3) Spreadsheets and Graphics
Use computers to prepare, create, and illustrate spreadsheet and graphic business information.

BED 215 (2) Information Processing Database Records Management
Use computers for establishing, manipulating, and maintaining a relational database system. Understand management techniques of electronic filing systems.

BED 291 (1-3) Project Study in Business
Provide an opportunity to earn credit by completing a special project or individualized curriculum approved and directed by a faculty member.

BED 297 (1-10) Office Experience
Allow students to earn credit for supervised and documented office experience

Required Teaching methods Courses for Major (6 credits)
(Courses to be taken on-line through Winona State University)
BUED 401 General Methods & Foundations (3)
BUED 403 Teaching & Business Teaching Methods (1)

Required Electives for Major
You must take a minimum of 30 credits from Winona State University for graduation. If needed, elective credits in Technology-, Business-, and BUED-related courses must be taken.

Required for Major (Professional Education, 30 credits)
See Secondary Education-Undergraduate degree
