The minor in dance emphasizes the importance of the artist as both performer and educator through diverse technical and theoretical dance preparation. In their program of study, students are required to participate in a variety of dance forms, namely, modern dance, ballet, jazz, Afro-Caribbean and tap. They also choose from a variety of other coursework which includes: world dance, creative dance and dramatics, and composition. At the culmination of all coursework, seniors are required to complete a senior project or dance practicum. Through an audition, students may be selected to participate in performance and choreographic opportunities as a member of the University Repertory Dance Theatre or perform in mainstream musical theatre productions.
